Banco Macro S.A. (the "Issuer") announced a dividend to its shareholders:

Local Record Date: March 27, 2026

Local Payable Date: March 30, 2026

Gross Rate: Argentine Pesos ("ARS") ARS per share 65.3400708982

Withholding Tax per Share: ARS 4.5738049629 per share

Net Rate: ARS 60.7662659353 per share

The Issuer has elected to use the cash to be delivered to BNY Mellon, as depositary (the "Depositary"), to purchase Argentine Bonds (ISIN AR0726170605) and transferred such Bonds to the Depositary's custodian account in Argentina on behalf of the holders of DRs.

In accordance with the Deposit Agreement between the Depositary, the Issuer and the Owners of Banco Macro S.A. DSs, the Depositary determined that it would not be practicable or feasible to distribute the Argentine Bonds to DR holders. As a result, BNY Mellon sold the Argentine Bonds for US Dollar settlement and the proceeds received from the sale (net of taxes, fees and commissions) will be distributed to the DR holders of Banco Macro S.A.

BNY Mellon will distribute the cash proceeds from the sale of the Argentine Bonds (and report this distribution under 1099B) as follows:
