NEW DR ANNOUNCEMENT

May 13, 2014

Cheetah Mobile Inc

Cheetah Mobile is an internet and mobile phone technology group based in China. The Company provides internet security and efficiency-enhancement applications to its users, enhancing the system performance of their mobile phones and protecting them from security threats. The Company has developed a platform that offers mission critical applications for its users and global content distribution channels for its business partners, both of which are powered by the Company's proprietary cloud-based data analytics engines. Core applications include: Clean Master; CM Security; Battery Doctor; Duba Anti-Virus; Cheetah Browser; and Photo Grid. The Company maintains approximately 362.0 million monthly active users.
