NEW DR ANNOUNCEMENT

June 30, 2014

Materialise

Materialise is a technology-assisted manufacturing group based in Belgium. The Company is engaged in additive manufacturing (also known as 3D printing). The Company's developed software solutions assist in the development of products aimed at niche markets directly into the marketplace as well as helping make the prototypes of products later manufactured by the millions. The Company's service offering is organized in three segments: Engineering Professionals; Medical Professionals; and Consumers. The Company's software is used in the automotive, aerospace, consumer electronics, consumables, orthopaedic, cardiovascular, cranio-maxillofacial, and dental industries, as well as in architecture, fashion, jewelry and art.
