This notice and the information and data provided herein are provided for general informational purposes only. BNY Mellon does not warrant or guarantee the accuracy, timeliness or completeness of any such information or data. BNY Mellon does not undertake any obligation to update or amend this notice or any information or data, and may change, update or amend this notice or any information or data at any time without prior notice.

BNY Mellon provides no advice, recommendation or endorsement with respect to any company or securities. No information or data is intended to provide legal, tax, accounting, investment, financial, trading or other advice on any matter, and is not to be used as such. We expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon this notice or any information or data, including market value loss on the sale or purchase of securities or other instruments or obligations.

Nothing herein shall be deemed to constitute an offer to sell or a solicitation of an offer to buy securities.

BNY Mellon collects fees from DR holders pursuant to the terms and conditions of the DRs and any deposit agreement under which they are issued. From time to time, BNY Mellon may make payments to an issuer to reimburse and/or share revenue from the fees collected from DR holders, or waive fees and expenses to an issuer for services provided, generally related to costs and expenses arising out of establishment and maintenance of the DR program. BNY Mellon may pay a rebate to brokers in connection with unsponsored DR issuances; brokers may or may not disclose or pass back some or all of such rebate to the DR investor. BNY Mellon may also use brokers, dealers or other service providers that are affiliates and that may earn or share fees and commissions. BNY Mellon may execute DR foreign currency transactions itself or through its affiliates; in such cases it acts as principal counterparty and not as agent, advisor, broker or fiduciary. BNY Mellon has no obligation to obtain the most favorable exchange rate, makes no representation that the rate is a favorable rate and will not be liable for any direct or indirect losses associated with the rate. BNY Mellon earns and retains revenue on its executed foreign currency transactions based on, among other things, the difference between the rate it assigns to the transaction and the rate that it pays and receives for purchases and sales of currencies when buying or selling foreign currency for its own account. The methodology used by BNY Mellon to determine DR conversion rates is available to registered Owners upon request or at https://www.adrbnymellon.com/us/en/news-and-publications/dr-issuers/asset_upload_file49220_197380.pdf
